ARTIST PROFILE

CINEMATIC ENERGY.

Rogelami is a Dutch DJ and producer working at the intersection of Trance, Bigroom and Progressive House. His sound blends emotional melodies, cinematic atmosphere and high-impact electronic production.

Driven by the belief that “Music is my medicine,” he creates releases and sets that connect emotionally while delivering modern dance-floor energy.

Four consecutive Hollywood Independent Music Awards nominations and a live appearance during Amsterdam Dance Event 2025 mark his continued development as an electronic artist.

WHY ROGELAMI

01

DISTINCTIVE SOUND

Cinematic Trance, Bigroom impact and Progressive House emotion in one focused artist identity.

02

VERIFIED RECOGNITION

Four consecutive Hollywood Independent Music Awards nominations between 2023 and 2026.

03

FLEXIBLE PROGRAMMING

Warm-up and headliner formats allow the musical direction to match the event and timetable.

04

PARTNERSHIP READY

A modern electronic profile suited to venues, events and media, with an optional partnership model for selected bookings.

OPTIONAL GIG PARTNERING

For selected bookings, Rogelami can connect the event organisation with an approved brand partner around an optional content and audience campaign. Every activation requires prior approval, remains separate from the artistic booking decision and does not guarantee ticket sales.

**A focused electronic artist profile—
from studio to stage.**
